inal Court was continued.

In your issue of the 10th inst. I wrote a communication inquiring into the duties and responsibilities of the police in certain matters. That communication was signed "An old fashioned citizen." A member of the police force has written to the Clarksville Democrat over his own name a letter in which he resents my paper as if it were a personal attack on him. This induces me to give my own signature to the present note, as, although I decline any personal controversy with him, I want any man who considers himself aggrieved by me to know who I am. If any personal attack had been intended my name would have accompanied my
